Task Force on Primary Care Directory

- ▶ to oversee the development of the Primary Care Directory
- ▶ members comprising representatives from the government, the Hospital Authority, academia as well as different healthcare bodies

Objectives of the Directory

- ▶ provide the public and healthcare service providers an easily accessible electronic database containing practice-based information of primary care professionals of various disciplines in the community
- ▶ foster partnership between individuals and primary care practitioners as health co-ordinators
- ▶ facilitate the co-ordination among different primary care providers functioning as multi-disciplinary teams

Professionals to be included

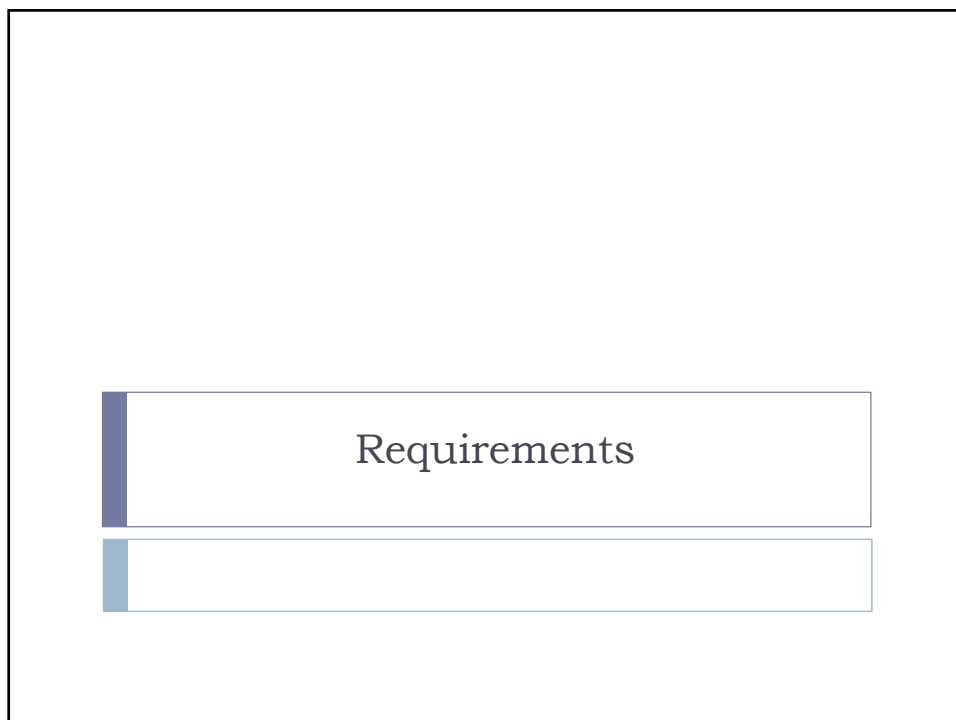

- ▶ western medical practitioners (doctors)
- ▶ dentists
- ▶ Chinese medicine practitioners
- ▶ other members of the primary care team (e.g. nurses and allied health professionals)

Sub-directories

- ▶ sub-directories with modifications will be developed for different professionals
- ▶ the development will be in phases
- ▶ starting with the Doctor and Dentist sub-directories

Entry requirement

- ▶ registered doctors and dentists with self-declared commitment to the provision of directly accessible, comprehensive, continuing, co-ordinated and person-centred primary care

Maintenance requirement

- ▶ Continuing Medical Education (CME)
- ▶ Continuing Professional Development (CPD)

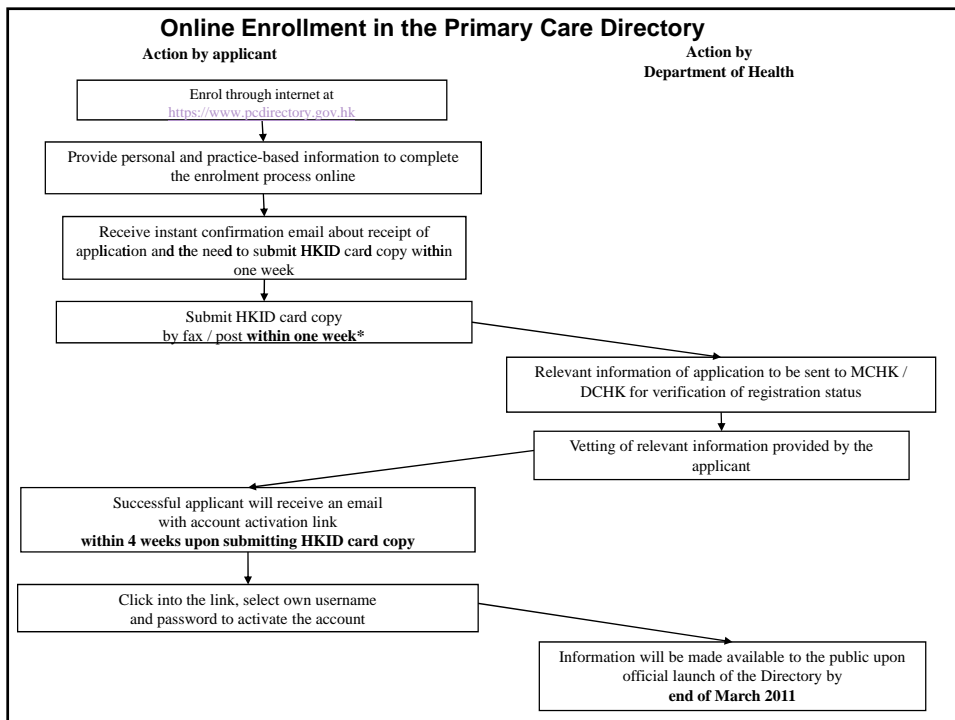

Delisting from the Directory

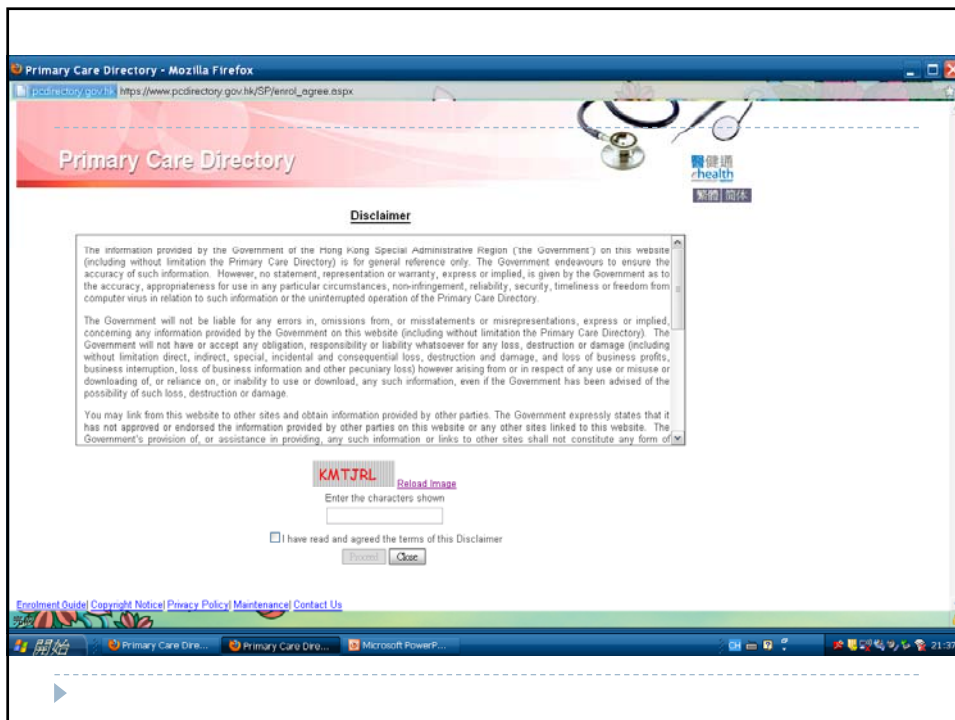

- ▶ voluntarily withdrawn from the Directory
- ▶ ceased to be a registered doctor or dentist
- ▶ failed to meet the requirement for remaining in the Directory

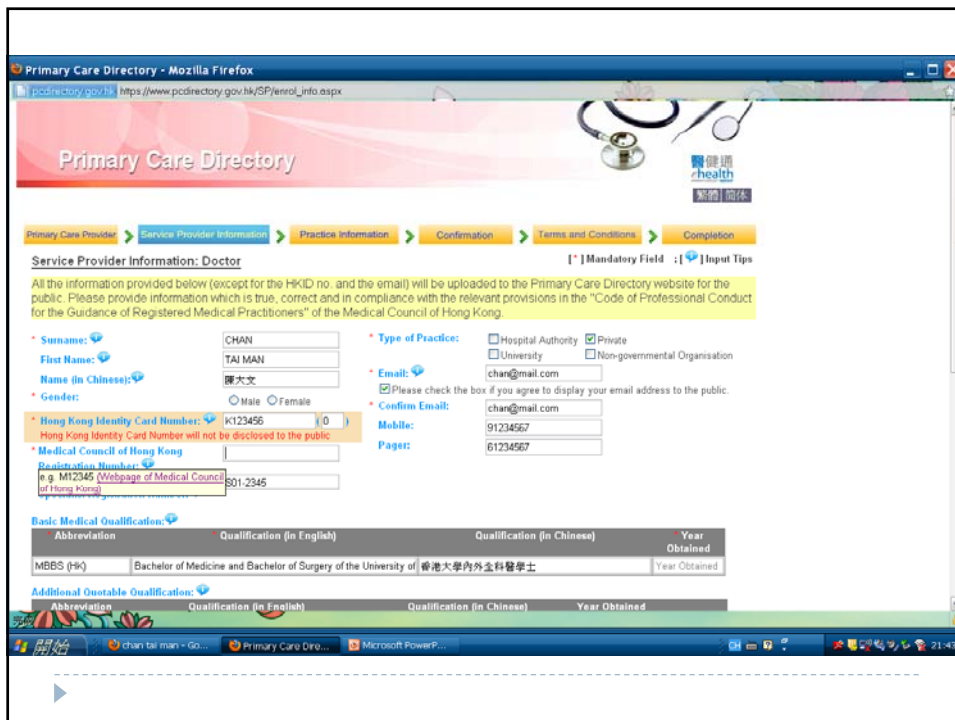

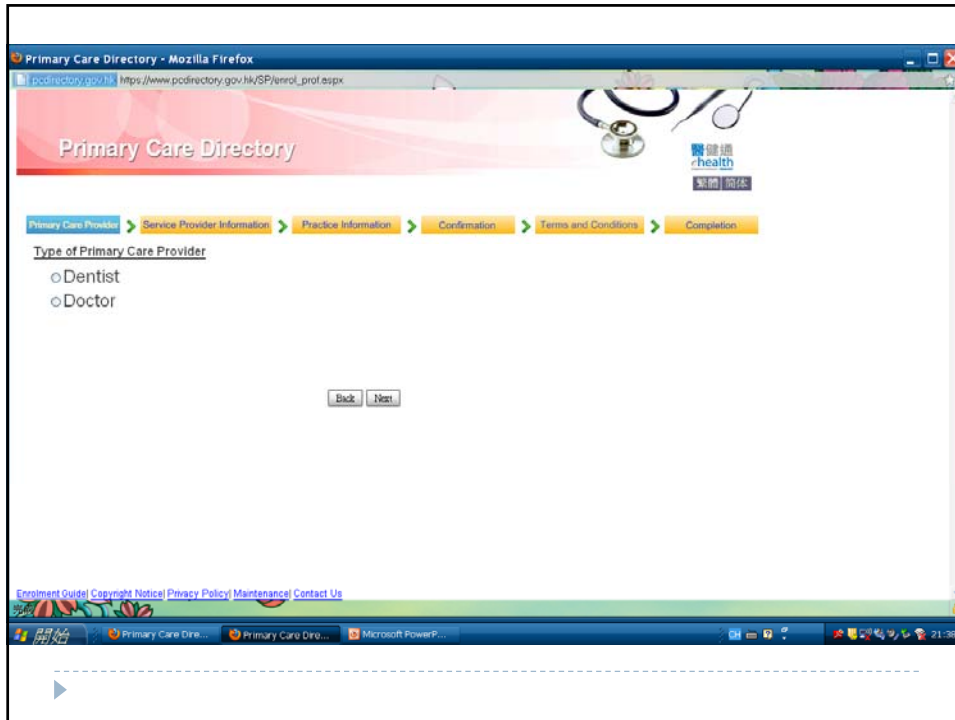

How to enrol

- ▶ Registered doctors and dentists can enrol by accessing the Directory on-line at <https://www.pcdirectory.gov.hk>
